Dear Ms. Wyonch,

Re: Permission to Host a Family Fireworks Display - By-Law #87-2008

The Oliphant Campers’ Association has had a long standing tradition of holding a fireworks display on the Sunday of the Civic Holiday weekend. This display is an integral part of the Oliphant Regatta, this year being the 104th year.

The Oliphant Campers’ Association requests the Town of South Bruce Peninsula to provide permission to the Oliphant Campers’ Association to host a fireworks display on Sunday August the 1st, 2010, with a rain date on the Saturday or Sunday of the Labour Day weekend.

The Oliphant Campers’ Association utilizes the services of B & S Fireworks of Owen Sound, and Bruce Wilkins, a licensed Fireworks Supervisor.

Your prompt attention to this request is appreciated such that we can proceed with the Fireworks Display for this year’s Oliphant Regatta.

For reference, the 2009 approval from the Town is reproduced below.

Thank you,

Rob Lister
Secretary
Oliphant Campers’ Association
