THE CORPORATION OF THE TOWN OF SOUTH BRUCE PENINSULA

BY-LAW NUMBER 5-2012

Being a By-Law to Regulate the Collection, Removal and Disposal of Waste in the Corporation of the Town of South Bruce Peninsula

WHEREAS Section 8 of the Municipal Act, 2001, Chapter 25, as amended, provides that Section 8 shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality’s ability to respond to municipal issues.

AND WHEREAS Section 9 of the Municipal Act, 2001, Chapter 25, as amended, provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under this or any other Act.

AND WHEREAS Section 11 of the Municipal Act, 2001, Chapter 25, as amended, provides that a municipality may provide any service or thing that the municipality considers necessary or desirable for the public and may pass by-laws regarding waste management;

AND WHEREAS the Council of the Corporation of the Town of South Bruce Peninsula deems it expedient to establish, maintain and regulate a system for the disposal of waste within the Town and to establish procedures, regulations, policies and fees for the disposal of waste and the recycling of waste materials and to establish and maintain a system for the collection, removal and disposal of garbage.

NOW THEREFORE the Council of the Corporation of the Town of South Bruce Peninsula enacts as follows:

1. TITLE, SCOPE AND DEFINITIONS

1.1 SHORT TITLE

This by-law may be cited as the "Waste Management By-law".

1.2 SCOPE

1.2.1 The provisions of this by-law shall apply to persons, lands, structures and uses within the boundaries of the Corporation of the Town of South Bruce Peninsula.

1.3.21 Garbage Packer Truck shall mean a truck with an enclosed load-carrying receptacle and machinery used to compact the load.

1.3.22 Hazardous waste is waste that poses substantial or potential threats to public health or the environment and generally exhibits one or more of the following characteristics: ignitable, flammable, oxidizing, corrosive, toxic, radioactive or explosive.

1.3.23 Improved Property shall mean any parcel of land containing a structure or facility built for a residential, commercial or multi-use purpose, excluding structures or facilities used for agricultural purposes.

1.3.24 Landfill Site shall mean a waste disposal site designated and operated by the Town, for the disposal or transfer of waste in accordance with the provisions of this by-law and the terms and conditions of a Certificate of
Approval issued by the Ministry of the Environment.

1.3.25 Occupier shall mean a person who is in physical possession of a premise(s) or who has responsibility for and control over the condition of the premise(s) or the activities there carried on, or control over persons allowed to enter the premises.

1.3.26 Operating Authority shall mean the Corporation of the Town of South Bruce Peninsula or its authorized representatives.

1.3.27 Owner shall include the occupier of property and the person for the time being, managing or receiving rent of the land or premises in connection with which the work used whether on their own account or as an agent or trustee of any other person or who would so receive the rent of such land and premises where rented, and shall also include a lessee or occupier of the property who under the terms of the lease is required to repair and maintain the property in accordance with municipal by-laws.

1.3.28 Prohibited Waste Materials shall mean any waste other than garbage and as set out in Schedule ‘B’ to this by-law.

1.3.29 Recyclable Waste shall mean any material that is acceptable under the recycling program for the Town.

1.3.30 Refuse shall mean and include all waste materials such as broken crockery and glass, jars, bottles, bones, discarded wearing apparel and all kinds of refuse not subject to decay other than those items accepted by recycling.

1.3.31 Residential shall be as defined within the Zoning By-Law for the Town of South Bruce Peninsula, as may be amended from time to time.

1.3.32 Scavenging shall mean the unauthorized removal of materials from in, around or among disposable solid waste at the landfill site.

1.3.33 Scrap Metal Area shall mean the area of the site designated by signs or otherwise for the purpose of recycling scrap metal.

1.3.34 Tipping Fees shall mean the waste disposal fee, as established by the Council as set out in the Consolidated Fee By-Law.

1.3.35 Tire Area shall mean the area of the site designated by signs or otherwise for the purpose of placing tires.
1.3.36 Town shall mean the Corporation of the Town of South Bruce Peninsula.

1.3.37 Waste shall mean garbage, refuse and other materials approved for disposal by the Ministry of the Environment.

1.3.38 Waste Disposal Attendant shall mean the employee(s) or agent(s) appointed by Council responsible for the supervision and operation of the landfill site and for the administration of this by-law.

1.3.39 White Metal Area shall mean the area of the site designated by signs or otherwise for the purpose of recycling white metal.

1.3.40 Multi-Use Property shall mean any parcel of land containing a structure or facility built for both residential and commercial uses and/or multi residential properties containing more than two units.

1.3.41 Permanent Curbside Garbage Bin shall mean a container of sufficient size to store or contain two or more garbage bags.

2. LANDFILL SITE

2.1 No person shall use any lands within the Town for the purpose of a waste disposal site except lands designated by by-law for such use by Council for the Town or the Ministry of the Environment.

2.2 The landfill site shall be operated and maintained by the Town in accordance with the terms and conditions of the Site Certificate of Approval, the provisions of this by-law and the requirements of the Ministry of the Environment.

2.3 Hours of Operation

2.3.1 No person shall deposit refuse, garbage, trade and industrial waste and building materials in the landfill site other than those days and during those times as may be established by the Council from time to time. Notice of such dates and times and any changes thereto shall be published by the Town.

2.3.2 Notwithstanding the provisions of Section 2.3.1 above, public access to the landfill site shall be restricted to those times when a Waste Disposal Attendant is on duty and in attendance at the site as set out in Schedule ‘A’.
2.3.3 No person shall trespass on the landfill site except as is required to transfer material to the site in accordance with this by-law, or as is necessary to conduct lawful business with the Town during designated hours of operation of the landfill site in the presence of the Waste Disposal Attendant or other authorized Town official.

3. GENERAL PROVISIONS

3.1 No person shall dispose of, or cause to be disposed, waste at the landfill site that originates or is generated from a location or use outside of the municipal boundaries of the Town and is not in accordance with the Certificate of Approval.

3.2 Persons shall dispose of permitted waste at the landfill site in accordance with the directions of the Waste Disposal Attendant and in accordance with the provisions of Schedule ‘C’ of this by-law and the Ministry of the Environment.

3.3 Owner, as defined in this by-law, shall be responsible for any waste placed for curbside collection until such time that the waste is collected by the Town’s authorized waste collection contractor.

3.3(a) The owner shall not place any garbage for collection earlier than 6:00 a.m. on the day of scheduled collection. Where garbage is placed in a secure container, the owner may place it for collection the night prior to the scheduled collection day. Failure to comply with this time restriction may result in a service charge and/or fine, if deemed sufficient by By-Law Enforcement, provided one warning notice has been issued.

3.4 The Town reserves the right to inspect all waste placed at the curbside for collection for purposes of compliance with this by-law.

3.5 Containers and Garbage Bags

3.5.1 Each garbage bag placed at the curb for collection that exceeds the first bag shall have affixed to it an approved Town of South Bruce Peninsula bag tag, except where the multi-use/commercial exception applies.

3.5.2 No person shall place garbage for collection unless the same has been packaged and prepared in accordance with this by-law.
3.5.3 All garbage shall be placed by the Owner so as to prevent damage by animals or others, preferably in a secure container.

3.5.3(a) One container placed at the curbside for garbage collection shall be deemed equivalent to one garbage bag and not require an approved Town bag tag. Any owner that uses more than one container to place garbage shall affix an approved Town bag tag to one of the bags visible when the secured lid is removed.

3.5.3(b) Each garbage bag that exceeds the first bag placed within a permanent curbside garbage bin shall have an approved Town of South Bruce Peninsula bag tag affixed thereto.

3.5.4 Permanent curbside garbage bins shall be located at the edge of the municipal road allowance such that it will not encumber the operation of road and winter maintenance equipment. During winter months, pathways must be maintained clear of snow and ice to permit safe and convenient access to receptacles placed for collection. Permanent garbage bins must have an indicator which clearly notifies that there is garbage requiring pickup.

3.5.5 Garbage collection shall be carried out on a weekly basis beginning no earlier than 7:00 a.m. on the day of collection and is subject to change.

3.5.6 Where garbage collection is not available, it shall be the responsibility of the owner to dispose of waste at the landfill site, in accordance with the terms of this by-law. Schedule ‘E’ sets out roads within the Town where no garbage collection is carried out and roads within the Town where garbage collection is carried out on a seasonal basis only (ie. May 1 to November 1).

3.5.7 Every garbage bag with an approved Town bag tag shall be securely tied to prevent spillage and be of sufficient thickness to eliminate tearing. The weight of the contents shall not cause breakage and the tagged garbage bag shall not weigh more than 18 kilograms (40 pounds).

3.5.8 No person shall place hot ashes for collection.

3.5.9 No person shall remove a bag tag from a bag of refuse belonging to another.

3.5.10 No person shall copy, counterfeit or in any other way attempt to duplicate the Town’s bag tag.
3.5.11 No person shall place garbage on the side of any road, right of way or public property in the Town other than placement adjacent to property owned or occupied by the person placing the garbage. Alternatively, that person must have approval of the Town to place the garbage elsewhere.

3.5.12 Where a common garbage collection area has been authorized by the Town or where a communal bin is utilized, each owner shall place their garbage in accordance with the terms of this by-law and, in addition, the owner shall clearly identify each garbage bag or bin with the owner’s civic address. Failure to clearly identify said waste with a civic address will result in the garbage not being collected.

3.5.13 No person shall dispose of any prohibited waste, refuse, scrap metal, white metal, tires or any hazardous waste on any road, right of way, landfill site or public property in the Town other than as permitted in this by-law.

3.5.14 No persons shall place any household waste in any receptacle in the Town that is so marked with the words: No Household Waste.

3.5.15 A By-Law Enforcement Officer or an individual employed and directed by the Town of South Bruce Peninsula may open such bags of garbage that are found in receptacles, on streets, in ditches or on any Town property where waste has been disposed and, upon finding proof that person did so dispose such waste, a By-Law Enforcement Officer shall be notified and lay charges.

3.5.16 A service charge, as outlined in the Consolidated Fee By-Law, shall be charged to the person whose garbage was opened and proof discovered sufficient to lay charges.

3.5.17 No persons shall dispose of any recyclable material other than in recycling containers as approved by the Town.

3.5.18 No person shall put recyclable material out for regular garbage pick up.

3.5.19 No person shall mix recyclable material with regular garbage. Any person found in non-compliance with this clause will be given one notice to cease this practice. Continued abuse of this service will result in no garbage pick up and person shall be required to take waste to the Landfill Site during regular hours and pay tipping fees as set in the Consolidated Fee By-Law.

3.5.20 Any person delivering a load of disposable waste materials to the landfill
containing recyclable material shall be surcharged one hundred percent (100%) the normal tipping fee for the entire load of disposable waste materials.

3.5.21 For the purpose of this by-law, the definitions and interpretations given in this by-law shall govern. In this By-law, “shall” is mandatory; words in the singular include the feminine and vice versa.

3.5.22 Multi-Use/Commercial Exception – Owners of multi-use properties and commercial properties within the Town may register with the Town for identification purposes and be permitted to place not more than ten (10) bags with approved Town bag tags affixed to each bag at the curb for collection, provided the owner of said property supplies sufficient recycling containers for that property.

3.5.23 Any multi-use property or commercial property that is not registered with the Town shall be deemed an improved property under this By-Law.

3.5.24 No person shall scavenge through garbage and recycling placed at the curbside for collection.

3.5.25 No person shall scavenge through garbage and recycling at the landfill site.

4. MANAGEMENT/OPERATION OF THE LANDFILL SITE

4.1 The Town may provide and designate such areas within the landfill site as it deems necessary and appropriate for the removal, temporary storage and handling and processing of all wastes regulated under this by-law.

4.2 All waste collected by the Town or by any citizen or private contractor within the limits of the Town and on a Certificate of Approval from the Ministry of Environment shall be deposited at the site.

4.3 Corrugated cardboard will be accepted only at the facilities provided for the collection of these materials.

4.4 The landfill site shall be supervised by the Waste Disposal Attendant.

4.5 No person shall place waste at the landfill site except during the hours of operation or as specified in Schedule ‘A’ of this By-Law.

4.6 No person shall deposit waste at the landfill site coming from a source as
not prescribed on the Certificate of Approval.

4.7 All waste delivered to the landfill site shall be placed under the direction of the Waste Disposal Attendant.

4.8 No person shall enter the landfill site for any purpose other than depositing waste without the prior approval of the operating authority.

4.9 Fees for the disposal of waste at the landfill site shall be established by Council and set out in the Consolidated Fee By-Law. Notice of such fees and any changes thereto shall be published by the Town and shall be applicable to all persons authorized to use the site.

4.10 Non payment of the monthly billing on the due date specified therein shall result in a penalty of two percent being added and thereafter a penalty of two percent will be added on the last day of each and every month the default continues.

5. ADMINISTRATION

5.1 The Waste Disposal Attendant shall supervise all operations at the landfill site and shall enforce compliance with the provisions of this by-law.

5.2 Permission to dispose of waste materials at the landfill, in accordance with this by-law and without charge, may be granted to community groups undertaking litter pickup on Town property or for other Town sponsored events, at the discretion of the Manager of Public Works or a designate, where such disposal is deemed to be within the public interest and not contrary to the intent of this by-law.

5.3 Council may authorize studies and programs and prepare policies for the maximization of the life expectancy, efficiency and effectiveness of the landfill site and the reduction, reuse and recycling of waste.

5.4 This By-Law shall be enforced by By-Law Enforcement as defined herein. For the purposes of enforcing the provisions of this by-law, By-Law Enforcement may inspect garbage placed on public property.

6. PENALTY PROVISIONS

6.1 Any person who violates a provision of this by-law is guilty of an offence and on conviction is liable to the penalty provide in Section 61 of the
Provincial Offences Act R.S.O. 1990 C.33, as amended from time to time.

6.2 This By-Law shall repeal and supersede any By-Law not consistent with this By-Law.

6.3 If, for any reason, any section or clause or provision of this By-Law is declared by a Court of competent jurisdiction to be invalid, the same shall not affect the validity of this By-law as a whole or any part thereof other than the part which was declared to be invalid.

6.4 No person(s) shall interfere with a By-law Enforcement Officer when he or she is enforcing this By-law.

7. SCHEDULES

7.1 The following schedules attached to this by-law shall form a part of this by-law.

Schedule ‘A’ - Waste Disposal Responsibilities
Schedule ‘B’ - Prohibited Waste Materials
Schedule ‘C’ - Designated Areas
Schedule ‘D’ - Recycling Policy
Schedule ‘E’ - Garbage Collection Restrictions

TOWN OF SOUTH BRUCE PENINSULA LANDFILL SITE
WASTE DISPOSAL RESPONSIBILITIES

Waste will be accepted from the Town of South Bruce Peninsula residents and/or ratepayers only.

Any person requesting the landfill site to be opened on any hours other than the normal operating hours shall make arrangements with the Town Office and shall pay a fee as set out in the Consolidated Fee By-Law, plus applicable tipping fees. Thereafter, an additional fee as set out in the Consolidated Fee By-Law will be charged for the duration of time the landfill site remains open for the disposal of waste outside of normal hours of operation.

ROOFING & DEMOLITION & ALL OTHER WASTE (EXCLUDING EXCEPTIONS LISTED BELOW)

All material disposed of at the landfill site must be sorted into designated areas.

Roofing and demolition material is deemed to be sorted when clean, burnable wood and scrap metal is individually separated from non-recyclable roofing and demolition material.

No charge is levied for leaves disposed of in the leaf area. The bags or containers must be emptied by the person disposing of the material.

VOLUME OF LOADS

As per Consolidated Fee By-Law.

DISPOSAL FEE SCHEDULE

Fees levied at the landfill site shall be payable in cash or by prior approved credit at the landfill site. Receipts will be issued by the Waste Disposal Attendant for the charge levied to the operator of each vehicle using the facility.

The Town shall not remove any manure, night soil, leaves, springs, mattresses, appliances, tires or building material from any premises; nor any crates, wooden boxes, cardboard cartons or waste paper from any commercial premises; nor any material whatsoever from industrial premises except for pickups designated for that purpose.
RESPONSIBILITIES OF THE TOWN

A schedule of collection shall give notice as to the day upon which vehicles will call to pick up disposable solid waste; said notice to be given by mail, delivery or publication by the Town as described in Schedule ‘B’ attached to this by-law, as amended from time to time.

FEE SCHEDULE

The fee schedule associated with the landfill site shall be established by the Town of South Bruce Peninsula Consolidated Fee By-law as amended from time to time. Notice of such fees and any changes thereto shall be published by the Town in an appropriate manner.

HOURS AND DAYS OF OPERATION

The Amabel Landfill Site is located at 1249 Sauble Falls Parkway, between Sauble Beach and Oliphant.
