The Corporation of the Town of South Bruce Peninsula

By-Law Number 58-2013

Being a By-Law to Appoint Persons to Committees, Boards and Other

Whereas the Municipal Act, RSO 2001, Section 11 (2)(1) indicates that a lower-tier municipality and an upper tier municipality may pass by-laws, subject to the rules set out in Subsection (4), respecting the governance structure of the municipality and its local boards;

And whereas the Municipal Act, RSO 2001, Section 11 (4) outlines the rules by which a sphere of jurisdiction is governed;

And whereas the Municipal Act, RSO 2001, Section 224 outlines the role of Council to represent the public and consider the well-being and interests of the municipality, develop and evaluate the policies and programs of the municipality, determine the services provided by the municipality, among other identified roles;

And whereas Council deems it desirable to appoint persons to various committees, boards and other.

Now therefore the Corporation of the Town of South Bruce Peninsula enacts as follows:

1. That the citizens and members of Council appointed to committees, boards and other be more particularly described in Schedule “A” which is attached to and forms part of this by-law.

2. That this by-law shall repeal and replace any by-laws previously adopted by Council which may be inconsistent with this by-law.

3. That this by-law shall remain in full force and effect until replacement appointments are made or the appointments have been superseded, amended or repealed.
