2.02 The Employer undertakes that it will not, so long as the Union continues to be entitled to represent the Employees of the Employer, employed in the bargaining unit described in Article 2.01, enter into any other agreement or contract with the Employees, employed within the said bargaining unit, individually or collectively, which may conflict with the provisions of this Agreement.

If no agreement is reached on the wage rate and/or progression, the matter may be submitted to arbitration. If a wage increase results, the same shall be retroactive to the date that the job duties were changed or the new job created.

2.04 Department Heads, Supervisors and all other personnel outside the bargaining unit shall not work on any jobs, which will reduce the normal hours of work of any regular Employee save and except in the case of an emergency.

2.05 Any Employee employed in a full time capacity as of the April 15, 2005 or earlier will not be laid off by the Employer during the term of the Collective Agreement.

3.02 In exercising the management functions and in administering this Agreement, the

the agreement as a whole.

3.03 Without limiting the generality of the foregoing, a grievance shall include any dispute
or difference arising out of the alleged arbitrary, discriminatory, bad faith or
unreasonable treatment of members in respect to matters that are regulated
expressly by provisions of this Agreement.

3.04 Refusal to comply with an order, directive or assignment related to Health and Safety
that is agreed was unreasonable or otherwise improper shall not result in discharge or
discipline and shall not be considered to be an act of insubordination.

Article 4 - UNION SECURITY

4.01 The Employer agrees that as a condition of employment all present and new
Employees as described in 2.01, become and remain a member in good standing of
the Union as of their first working day following their date of hire.

accordance with its constitution and by-laws. In addition the Employer agrees to
deduct the sum of $1.00 from the September wage of each member of the bargaining
unit for the Union Benevolent Fund. It shall be a condition of remaining in the
employment of the Employer that each Employee authorize the Employer to make
such deductions.

4.03 The amount of such dues shall be certified to the Employer by an authorized officer of
the Union. In the event of a change of such amounts, not less than fourteen (14) days
notice shall be given to the Employer.

4.04 The dues deducted from the pay of each full-time Employee, together with a record of
those whose pay deductions have been made shall be remitted by the Employer to the
Union not later than the 20th day of each month for the month in which they are
deducted. Such records shall also include a monthly brief explanation (e.g.

dues have not been deducted.
4.05 Part time dues will be remitted to the Union by the 20th of the month following the month the dues are deducted. The Employer also agrees to provide the Union with employees’ addresses on an annual basis, and any change of addresses as they occur. The Union agrees to keep the Employer harmless from any claims against it by an employee which arise out of any deduction or information provided under this Article.

4.08 The Employer agrees to permit a representative or representatives of the Union to interview each Employee who has completed his probationary period for a period of ten (10) to twenty (20) minutes during such Employee's regular working hours, at a place in the Employer's premises at a time mutually convenient to the Employer and the Union Representative. The Employer shall instruct the Department Heads concerned, to notify the Employees concerned, of such place and time the interviews are to be conducted and permit the Employees concerned to attend the interview with no loss of wages. Should the Chief Steward or Steward conduct the interview they too shall be permitted time off for the purpose of conducting the interview with no loss of wages.

5.01 The Employer acknowledges and recognizes the right of the Union to appoint, elect or otherwise select a committee of not more than two (2) in addition to the Chief Steward, which committee shall be called the Union Administrative Committee, who are authorized to represent the Employees in discussions and dealings with the
Employer in connection with any matters which may properly arise out of the administration of this Agreement. Any or all members of the Union Administration Committee shall also serve on the Negotiation and Grievance Committees. The Union agrees to notify the Employer in writing of the names of the members of the committee and any changes therein.

5.02 The Employer acknowledges and recognizes the right of the Union to enlarge the Union Administrative, Grievance and/or Negotiating Committee at any time by the addition of representatives of SEIU Local 2 Service Employees’ International Union, who are not members of the bargaining unit when dealing with the Employer.

5.03 It is agreed that meetings between the Employer and the Union Administrative Committee called at the request of either party will normally be held during regular working hours, unless otherwise mutually agreed.

5.04 An Employee shall have the right to have a Steward present where a disciplinary or grievance matter may result. The supervisor shall notify the Employee and the Employee’s Steward as far in advance as is reasonably possible. A Steward shall have the right to consult a staff representative of the Union and to have a Union Representative present.

5.05 In the event of either party wishing to call a meeting for the purpose of discussing Employee/management/union relations or matters arising out of the administration of this Agreement, they shall notify the other party in writing. The said meeting shall be held within seven (7) calendar days following delivery of the said notice in writing, except when such period of time is increased or decreased by mutual agreement between the parties. The party calling the meeting shall submit an agenda at the same time as the notice of the meeting.

5.06 The Employer shall make available to the Union, on request, and if available, information required by the Union, such as job descriptions, positions in the bargaining unit, job classifications, job evaluations, information relating to welfare plans, job postings, etc.

5.07 The Employer agrees that all correspondence between the Employer and the Union relating to matters covered in this Collective Agreement shall be sent to the President of the Union or his designate. The Employer further agrees that a copy of any correspondence between the Employer or Employer’s official and Employee of the
bargaining unit covered by this Agreement, pertaining to the interpretation or application of any clause contained in this Agreement shall be forwarded to the President of the Union or his designate.

5.08 An Employee, or the President of the Union or his designate, with the written authority of the Employee, shall be entitled to review the Employee’s personnel file in order to facilitate the investigation of a grievance.

5.09 The Union Local Administrative Committee Members who are required to attend to Union business with the Employer, shall observe the following conditions

(a) Such business must be as between the Union and the Employer.

(b) The time shall be devoted to the prompt handling of necessary Union/Employer business.

(c) The Steward or Union Administrative Committee Member concerned shall obtain permission of the Supervisor concerned before leaving work and shall report to the Supervisor upon return to work.

(d) The Employer reserves the right to limit such time if it deems the time so taken to be excessive, and reserves the right to delay the said absence for up to twenty-four (24) hours if the Steward is, at the time of the request, involved in other duties or if the said request restricts, slows up, or hinders the operation of the Employer.

(e) The Union Administrative Committee shall suffer no loss of pay for time spent on the foregoing.

Article 6 - NO DISCRIMINATION

6.01 The Employer and the Union shall not discriminate against Employees with respect to the terms or conditions of employment on the grounds of race, creed, colour, age, sex, marital status, parental status, religion, nationality, ancestry, place of origin, family relationship, place of residence, political affiliation or activity, sexual orientation, or Union activity.
Article 7 - EMPLOYEE RIGHTS

7.01 The watch and surveillance systems cannot be used except for the purpose of protecting the equipment and the property of the Town of South Bruce Peninsula against criminal acts such as theft, depredation and damage to property. At no time may such systems be used as a means to evaluate the performance of Employees and to gather evidence in support of disciplinary measures unless such disciplinary measures result from the commission of a criminal act.

7.02 The Employer agrees that there shall be no mandatory drug testing of present or future Employees.

7.03 Employees shall not be required to do work of a personal nature which is not connected with the operation of the Employer. Any requirements made of an Employee shall be limited to matters concerning the work of an Employee and shall be stated in the job description. Such requirements shall not be contrary to the articles of this Agreement.

7.04 The parties agree that individuals in the workplace should be treated with respect. Supervisors shall not exercise the rights of management in a discriminatory manner nor shall Employees be personally harassed. Any alleged violations of this provision are subject to the grievance procedure up to and including arbitration.

Article 8 - STRIKES AND LOCK-OUTS

8.01 The Union and the Employer agree that there will be no strikes or lockouts during the term of this Agreement. The words “strike” and “lockout” shall be as defined in the Labour Relations Act as amended from time to time.

8.02 Notwithstanding any other provisions of this Collective Agreement, the failure or refusal of any Employee to pass through or work behind any picket line lawfully established, shall not be deemed a breach of this Collective Agreement, and the Employer shall not discharge, discipline or otherwise discriminate in any fashion against any such Employee. Further it shall not be grounds for discipline nor shall it be considered a violation of this Agreement for Employees of this bargaining unit to refuse to do any portion of legally struck work.
Article 9 - DISCHARGE AND DISCIPLINE

9.01 No Employee in this bargaining unit shall be disciplined or discharged without JUST CAUSE.

9.02 An Employee is entitled to be accompanied by a Union Representative when interviewed in the course of disciplinary investigation. The Employer will establish the time and place of such meeting allowing sufficient time for the Employee to secure a Union Representative. In any event, not more than five (5) days will be provided for the purpose of securing a union representative. In the event of an investigation involving the disciplining of an Employee, the Employee may review his employment file and make copies of any documents therein contained.

9.03 The value of progressive discipline, with the aim of being corrective in application, is recognized by both parties. Therefore, except in extreme cases, discipline or discharge for just cause should be preceded by a documented record of counselling, warnings (both written and oral) and suspensions. Therefore, it is agreed that when disciplining an Employee for just cause, the Employer shall use all of the following steps as corrective measures subject to the right of an Employee to grieve at any and/or all steps taken.

(a) Oral Warning

(b) Written Warning

(c) Suspension(s) of varying lengths may be used

(d) Discharge

9.04 An Employee whom the Employer suspends or discharges shall be retained at or returned to active duty until any grievance concerning such suspension or discharge is finally resolved through the grievance and/or arbitration procedure provided such procedure occurs within forty-five (45) days or such mutually agreeable time extension, of the occurrence of such suspension or discharge. However, the Employee may be removed from active duty (without pay), until the resolution of the grievance protesting the suspension or dismissal, if the alleged cause for suspension or dismissal presents a danger to the safety of the Employee(s), equipment or clients, fighting, fraud, theft or concerted refusal to perform work properly assigned to them.
9.05 Grievances involving Employees who are retained under this provision will be handled in the expedited arbitration procedure (Section 49 of the Ontario Labour Relations Act) unless the Union and the Employer mutually agree otherwise. Should the arbitrator uphold the suspension or discharge of an Employee retained at work, the penalty shall be instituted after receipt of the arbitrator’s decision. The above references to suspensions, or discharges are examples and are not intended to be all inclusive but to indicate how various types of issues are to be handled.

Article 10 - GRIEVANCE PROCEDURE

10.01 It is understood that a permanent employee has no grievance until he / she has first given his immediate supervisor an opportunity to adjust his / her complaint. The Employer agrees that grievances shall be dealt with as quickly as possible. Any Employee shall have the right to have the assistance of a Union Representative if he or she so desires. Any grievance or dispute relating to the interpretation, application, or alleged violation of this Agreement or relating to any terms or conditions of employment shall be dealt with in the following manner:

STEP #1 - The aggrieved Employee, together with a representative of the Union, shall submit the grievance in writing to the Department Head who shall then render a decision in writing within two (2) working days after presentation of the grievance.

STEP #2 - Failing settlement under Step #1 and within ten (10) working days of the receipt of the decision at Step #1, the aggrieved Employee together with a representative of the Union shall present the written grievance at a meeting with the Administrator and Department Head to be held within two (2) working days of notification by the Union of the failure to settle the grievance at Step #1 of the grievance procedure. The Administrator shall then reply to the grievance, in writing, within two (2) working days of the grievance meeting having been held.

STEP #3 - Failing settlement under Step #2 and within ten (10) working days of the receipt of the decision at Step #2, the grievance may be referred to arbitration. Should arbitration be invoked, a written request for arbitration must be given to the Administrator for the Town of South Bruce Peninsula.

10.02 The Employer agrees that access to its premises shall be allowed to any union representative for the purpose of investigating any complaint or grievance during
normal working hours. Before exercising such access, the Union Representative shall notify, in writing, the Administrator (or designate).

Article 11 - POLICY GRIEVANCE

11.01 Either party to this Agreement may lodge a grievance in writing with the other party on any complaint or difference regarding employment relations, working conditions or any subject which relates to the administration of this Agreement. Such grievances shall commence at Step #3 of the grievance procedure and shall be carried through the grievance and arbitration procedure as outlined in the Collective Agreement.

11.02 A Union Policy Grievance is common to two (2) or more Employees and shall be dealt with as a policy grievance. All policy grievances shall be filed within sixty (60) days of the act complained thereof.

11.03 Any dispute involving discharge, suspension, or health and safety shall receive priority and shall commence at Step #3 of the grievance procedure.

11.04 The Employer agrees that Union Stewards shall not be hindered, constrained, prevented nor impeded in any way in the accomplishment of their duties while investigating complaints or representing Employees in accordance with the provisions of this Article. Whenever the Union Steward decides to investigate a complaint, he shall seek from his supervisor permission to leave his work, and such permission shall be granted to him within thirty (30) minutes whenever feasible. For the purpose of his investigation, he shall be allowed reasonable time up to one (1) full working day to perform this task and the Steward shall report back to his supervisor upon completion of the investigation.

11.05 It is agreed that Union Stewards shall be paid their regular rate of pay for all time spent during working hours investigating grievances or for attending any meeting relating to grievances or working conditions.

Article 12 - ARBITRATION

12.01 The parties shall mutually agree whether the grievance shall be heard by a single arbitrator or by a three-person board of arbitration. If no agreement is reached, there shall be a three-person board of arbitration selected as set out herein.
12.02 In the event the parties agree on a single arbitrator within thirty (30) calendar days of the filing of notice of arbitration then that person shall be appointed. In the event the parties cannot agree on a single arbitrator as aforesaid, then either party may request the Minister of Labour for the Province of Ontario to appoint a single arbitrator.

12.03 A request by either party for a Board of Arbitration shall name that party's appointee to the Board of Arbitration. The recipient of the notice shall within ten (10) working days, advise the other party of the name of its appointee to the Board of Arbitration.

12.04 The appointees to the Board of Arbitration shall then meet to decide upon the selection of the Chairperson of the Board. If the parties cannot agree upon the selection of the Chairperson within ten (10) working days, either party may request the Minister of Labour for the Province of Ontario to appoint an impartial third member as Chairperson.

12.05 Each party shall bear the expense of its representatives, participants, and witnesses and of the preparation and presentation of its own case. The fees and expenses of the Chairperson or single arbitrator, the hearing room and other expenses incidental to the arbitration hearing shall be borne equally by the parties.

12.06 The Arbitration Board is to be governed by the following provisions:

12.07 the Arbitration Board shall determine the subject of the grievance and shall issue a decision which is final and binding upon the parties and upon any Employee or Employer affected by it;

12.08 the decision of a majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairman governs;

12.09 the Board shall determine its own procedure, but shall give full opportunity to all parties to present evidence and make representations;

12.10 the Board shall not have any authority or power to alter, change, or amend any of the provisions of this Agreement;

12.11 the parties and the Arbitration Board members shall have access to the Employer's premises to view working conditions, machinery or operations which may be relevant to the resolution of a grievance;

12.12 the Arbitration Board shall have jurisdiction to determine whether a grievance is
arbitrable;

12.13 no person may be appointed as an arbitrator or a nominee who has been involved in an attempt to negotiate or settle the grievance.

12.14 The time limits contained in Articles 10, 11 and 12 are compulsory and binding upon both parties unless waived or extended in advance by mutual agreement.

12.15 Failure to proceed to the next step, within the time limits contained in Articles 10, 11 and 12, whichever is applicable, at any step of the grievance procedure, shall be deemed an abandonment of the grievance unless such time period is expressly waived by the parties, in writing.

12.16 In the case of termination and where the probationary Employee grieves, the Employer will be required to provide just cause for the action taken. The Employer also agrees to inform new Employees, before they commence working, of the standards they are expected to meet during their probationary period. The Employer further agrees to warn probationary Employees, prior to discharge, of any defects in their performance and give adequate time to remedy such deficiency.

Article 13 - PROBATIONARY EMPLOYEES

13.01 A new Employee will be considered on probation until he has completed ninety (90) days of work within any twelve (12) month period. Upon completion of the probationary period, the Employee will be credited with ninety (90) working days seniority.

Article 14 - SENIORITY

14.01 Institutional seniority shall be defined as length of service in the bargaining unit with the Employer from the date of hiring and seniority rights shall be established after completion of the probation period defined in Article 13.01.

14.02 Institutional seniority lists shall be provided to the Chief Steward by the 31st day of January as of the 31st day of December in the prior year by the Employer. The Employer agrees to mail a copy of the said list to the Staff Representative of the Union at the same time. The lists shall include the seniority standing and job classification.
A copy of the seniority list shall be posted by the Employer in a conspicuous location.

14.03 The continuous length of service of an Employee shall be the determining factor in layoff, promotion, job posting, overtime allotment, and recall, provided that the Employee with the greatest seniority has the ability and qualifications to perform the requirements of the job. Probationary Employees will be laid off first and will be the last to be recalled from layoff.

14.04 When two or more Employees commence work in the same seniority group, on the same day, the procedure for establishing their relative seniority shall be as follows:

(a) The Employee who commenced work at the earliest hour of the day shall be considered senior.

(b) When both Employees commenced work at the same hour of the day, the Employee who signed the Employer's application form first, shall be the senior.

(c) No Employee shall be transferred to a position outside the bargaining unit without their consent. Notwithstanding, the Employees who do accept appointment outside the bargaining unit, shall retain their seniority standing for a period not to exceed six (6) months from the date of transfer. Any time within the said six (6) months the Employee concerned may transfer back into the bargaining unit without any loss of seniority. Upon expiry of the six (6) month period the Employee's name shall be removed from the seniority list and all seniority rights under this Agreement shall cease.

(d) If the Employee so transferred, transfers back into the bargaining unit, he shall displace the Employee hired to replace the transferred Employee and upon the Employee transferring back into the bargaining unit, the Employee hired to replace the Employee shall be terminated, which termination shall not be the subject of a grievance.

(e) All temporary Employees shall, at the time of hire, be informed:

(i) the expected duration of the job, if possible; and

(ii) that termination without right to grieve, not layoff, will end the temporary position.
14.05 An Employee who resigns his/her position and within ninety (90) days is re-employed, shall be granted leave of absence without covering those days absent and shall retain all previous rights in relation to seniority and other fringe benefits.

14.06 If an Employee terminates as a result of a decision to raise a dependent child or children and is re-employed, upon application, the Employee shall be credited with length of service accumulated at the time of benefits based on service seniority. The following conditions shall apply:

(a) The Employee must have been an Employee with at least one (1) year of service seniority at the time of termination;

(b) The resignation must indicate the reason for termination;

(c) The break in service shall be for no longer than six (6) years, and during that time the Employee must not have been engaged in remunerative employment for more than six (6) months;

(d) The previous length of service shall not be reinstated until the successful completion of the probationary period on re-employment.

14.07 An Employee shall lose all service and seniority, subject to any other provision of this Agreement, and shall be deemed to have been terminated if the Employee:

(a) quits and is not reinstated within sixty (60) days;

(b) has been laid off for a period exceeding twelve (12) months;

(c) fails to report for work within three (3) days after being notified by the Employer to report for work, by registered mail, to the Employee's last known address following the layoff;

(d) fails to advise the Employer within three (3) working days of the Employee’s intention to report for work pursuant to the notification;

(e) fails to return to work after expiration of the leave of absence without providing a reason satisfactory to the Employer;

(f) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Employer unless an appropriate explanation
is provided to the Employer

(g) is off work due to illness, injury or accident for a period of twenty-four (24) months;

(h) is absent from work and is in receipt of Workplace Safety and Insurance Benefits for a period exceeding twenty-four (24) months.

14.08 Employees transferred from part time employment to full time employment shall be credited with one (1) year of full time seniority for every 2080 hours of part time seniority. Full time Employees transferring to part time employment shall be credited with 2080 hours of part time seniority for every full year of full time employment.

14.09 Part Time Seniority - Institutional seniority for part time Employees shall be calculated on the basis of hours worked and paid for and hours not worked but paid for by the Employer.

Article 15 - JOB POSTINGS

15.01 In order to ensure Employees are given the opportunity of interdepartmental transfer or promotions, the Employer agrees to comply with the following procedures:

(a) The Employer shall post all vacancies, or new jobs which come within the scope of this Agreement, which the Employer intends to fill, in the following manner:

(b) The Employer shall post the position on the bulletin boards where all full time and part time Employees may see them for a period of not less than seven (7) working days.

(c) Employees who may be interested in such positions shall have the right to apply for such vacancies or new jobs within the posting period, and the position or positions will be filled from the applicants received on the basis of institutional seniority, provided the successful applicant(s) have the necessary qualifications, are able to perform the necessary duties, and become able to perform the necessary duties within a thirty (30) working day familiarization period from the time the position is awarded.

(d) Should none of the applicants be able to perform the necessary duties within the
thirty (30) day period specified, the Employer may then consider applications received from outside sources in order to find a qualified person for the position.

(e) Post in the workplace a notice of who received the position. A needs interview will be provided, if requested by the un-successful applicant(s).

15.02 The parties recognize that job opportunity and security should increase in proportion to the length of service. It is therefore agreed that in all cases in filling job vacancy, transfer, layoff, and recall after layoff, senior Employees subject to Article 14.03 shall receive preference.

15.03 The successful applicant for any of the above postings will be given an opportunity to perform the job with a familiarization period of not less than thirty (30) working days. Should the Employee prove unable to perform the necessary duties, after the familiarization period, he shall revert back to the position he previously held prior to the job posting.

15.04 Employees who have accepted a job posting and who revert back to their former position either voluntarily or have been proven unable to perform the necessary duties within thirty (30) working days, shall lose no seniority and shall retain all rights and privileges afforded to them in their previous classification.

15.05 Copies of all job postings together with the names of the applicants, their seniority date, current classification and the name of the successful applicant for the vacancy, shall be sent to the Chief Steward and to the President of the Union at the same time the vacancy is filled. Should the senior applicant not be the successful applicant, the notice to the Union and the Chief Steward shall also include the reasons why the senior applicant was not chosen to fill the vacancy.
