The Corporation of the Town of South Bruce Peninsula

By-Law Number 88-2014

Being a By-Law to Authorize the Establishment of a Service Fee for Payment Card Processing Services with Respect to Payment for Municipal Services and Activities

Whereas Section 9 of the Municipal Act 2001, S.O. 2001, c. 25, as amended, grants municipalities the rights, powers and privileges of a natural person for the purpose of exercising its authority under this or any other Act;

Whereas Section 391 of the Municipal Act, 2001, c. 25, as amended, provides that a municipality may pass by-laws imposing fees or charges on any class of persons for services or activities provided or done by or on behalf of it; for costs payable by it for services or activities provided or done by or on behalf of any other municipality or local board; and for the use of its property including property under its control;

And whereas the Town of South Bruce Peninsula currently permits payment of municipal property taxes and water and waste water charges through third-party payment processors by means of credit cards;

And whereas third-party payment processors wish to charge credit card payment processing fees for the above noted services.

Now therefore the Council of the Corporation of the Town of South Bruce Peninsula enacts as follows:

1. That Council does hereby authorize that a credit card service fee shall apply for payment of municipal services and activities charged by means of credit card.

2. That this by-law shall come into full force and effect upon the final passage thereof.
